Keileigh is also frequently instructed in a wide range of private children matters and Family Law Act proceedings.

Keileigh has represented clients in the above areas at interim and final hearing stages, including fact-find hearings.

Prior to commencing joining Chambers, Keileigh worked in Hanne & Co's Care Department for 4 ½ years, gaining significant experience in the full spectrum of care proceedings work.

Keileigh's previous experience as an Appropriate Adult and an advocate on behalf of the Free Representation Unit has allowed her to develop a record of working with vulnerable individuals in all areas of her practice and has been commended for her sensitive approach to clients.

"I have instructed Ms Pink on two fairly complex matters...One involving parental alienation which emanated from private law proceedings and one involving international elements. Ms Pink has always been accessible and extremely thorough in her advice and representation. My clients are extremely happy with her representation and she has always put the Local Authority's case across strongly and achieved the outcome sought in terms of Orders and directions. Her drafting skills are very good..." Solicitor at the London Borough of Bexley

"...Keileigh was relentless in her arguments yesterday as the Judge seemed hesitant to grant the order and she convinced him in the end. She showed excellent flair and professionalism. The client was very happy with the outcome and with Keileigh..." Solicitor at Hopkin Murray Beskine

"Ms Pink has appeared before me on many occasions in public law children work, mainly interim hearings but also longer trials. She has acted for the local authority, parents and the Children's Guardian.

She is always well-prepared, on top of her brief, succinct, straightforward, detailed, intelligent, helpful and persuasive.

She is also always well-presented, calm, quietly confident, courteous and sensitive to the difficult issues that arise in such cases.

Whenever she appears before me I feel confident that the case will be in good hands. Her document preparation in advance or during a hearing is prompt, appropriate and helpful." Circuit Judge – Bromley County Court

"Keileigh is a pleasure to instruct, she is excellent with clients and really listens while providing thorough, honest and clear advice in a very 'user-friendly' way. She is also an extremely well-prepared, robust and

persuasive advocate in court who cares about the outcome of the case. I cannot recommend Keileigh highly enough." Hanne & Co Solicitors

"...we were really impressed with Keileigh on this matter and will certainly be instructing her again in future!..."
